

EU Declaration of Conformity

Ergo Design srl
Via Sestri 29A/3
16157 Genova - Italy

Declare under our sole responsibility that the following product

Salinometer Ds-200 used in combination with electrode for conductivity, electrode

Are in conformity with the

Low voltage Directive (LDV) 2014/35/EU

(CEM) Directive 2014/30/EU - Electromagnetic Compatibility

EMC Directive 2004/108/EC (and his amending directives) in accordance with:

BS EN 61326-1 Electrical equipment for measurements. EMC requirements. General requirements.

Class "A" Equipment "suitable for use in all environments

Other than domestic and those directly connected to a low voltage power supply network which supplies buildings used for domestic purposes".

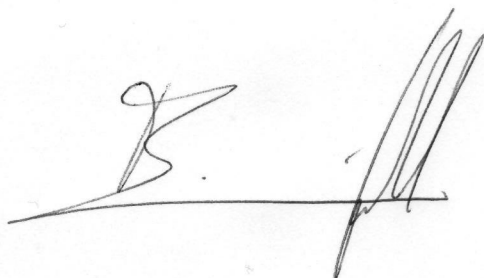

Table 2 – Immunity test requirements for equipment intended to be used in an industrial environment".

BS EN 55011 – Industrial, scientific and medical equipment. Radio-frequency disturbance characteristics. Limits and methods of measurements.

RoHS2 Directive 2011/65/EU On the restriction of the use of certain substances in electrical and electronic equipment

Category #9 – Monitoring and control instruments including industrial monitoring and monitoring instruments

Signed

A handwritten signature in black ink, consisting of a stylized 'E' followed by a series of vertical strokes, positioned above a horizontal line.
